

Service & Supply Building (150)

Air Handling Refurbishment - Unit AC-1 Project

CONSTRUCTION ACTIVITY

08/08/25 to 08/15/25

To: Service & supply Building Occupants

What: Shutdown of Air Handler Unit 1

Where: Service & Supply Building

When: Friday August 8th @ 7:00 AM through Friday August 15th at 5:00 PM

The Facilities Department will begin important refurbishment work on Air Handling Unit (AC-1) starting **Friday, August 8, 2025, at 7:00 AM**. To ensure the safety of our team, this air handling unit will be shut down for the duration of the work. This work is scheduled to be completed by **Friday, August 15, 2025**.

We've arranged for temporary cooling units to be placed in specific locations throughout the building. Additionally, some parts of the building are served by separate local units and will not experience any disruption. The building will remain open, but for those who need a consistent air-conditioned workspace, please speak with your supervisor to arrange an alternative location within Campus.

We appreciate your patience and understanding as we work to improve our campus facilities.

If you have any questions, please contact the Facilities Department:

- Email: Facilities Service Response (Facilities@umb.edu)
- Phone: 617-287-5450
